

Bianca Beach

INTIMACY COORDINATOR

Hello! *waves*

I am a qualified and passionate Intimacy Coordinator on a mission to bring body positivity and light to sets dealing with nudity/simulated sex. With SAG's new much-needed requirement to have an IC present for these scenes, it is recognized now more than ever how crucial having a professional is to create the right environment for the film to thrive.

Experience

Current total hrs trained+on set: 83
